

Host a Chris Cox 3-Day Clinic

Not everyone can travel to the Diamond Double C Ranch for the 6-Day Clinics Chris offers there. So, to make his horsemanship program more widely available, Chris is offering 3-Day Clinics throughout the country. Local people act as hosts at their own facility, if it meets the requirements, or at a local facility that does.

Hosts enjoy benefits such as a space in the clinic at no charge. They also retain proceeds from stall rentals. More than that, they get the satisfaction of knowing they have made it possible for the folks in their area to learn first-hand, the gentle, effective and practical horsemanship techniques that are the hallmark of Chris Cox's program.

Host Information

In order to be considered as a host, you must be able to provide the following:

- Suitable facility that includes a covered or indoor arena, with outside riding area. Indoor arena must be at least 100' x 150' and outdoor must be at least 150' x 200'.
